## WORK EXPERIENCE

<b>We for Media - Senior Wordpress Developer &amp; graphic designer</b>	Feb 2025 - Present
<ul style="list-style-type: none"><li>• Designed and developed custom WordPress plugins, including advanced subscription and donation systems integrated with MPGS (NetCommerce).</li><li>• Built a donation subscription add-on supporting:<ul style="list-style-type: none"><li>◦ Monthly &amp; yearly recurring payments</li><li>◦ User-defined unsubscribe dates</li><li>◦ Automated email reminders 3 days before expiration, on expiration, and on cancellation</li><li>◦ <b>Live example:</b> <a href="https://apclebanon.org/make-a-donation/?subscription=1&amp;postid=11475">https://apclebanon.org/make-a-donation/?subscription=1&amp;postid=11475</a></li></ul></li><li>• Developed a Subscription Management Dashboard plugin allowing users to:<ul style="list-style-type: none"><li>◦ View all active subscriptions</li><li>◦ See yearly spending totals</li><li>◦ Receive reminder notifications 3 days and 1 day before expiration</li><li>◦ Visualize data through charts</li><li>◦ <b>Live demo:</b> <a href="https://raoulrammouz.site/subscription-management/">https://raoulrammouz.site/subscription-management/</a></li></ul></li><li>• Created custom Elementor widgets and sliders, fully editable from Elementor:<ul style="list-style-type: none"><li>◦ <b>Live preview:</b> <a href="https://sda-lb.org/">https://sda-lb.org/</a></li></ul></li></ul>	

- Developed a members directory plugin with:
  - Region & area filtering
  - Live search
  - **Live preview:** <https://www.lod-lb.org/members-ar-new/>
- Migrated websites from shared hosting to secured VPS (Ubuntu) with SSH key authentication, firewall setup, and Cloudflare DNS.
- Installed and configured CyberPanel, improving uptime, security, and performance.
- Integrated **PayPal, Stripe, Aramex API**, and custom WooCommerce logic for eCommerce platforms.
- Managed, optimized, and **secured 40+ WordPress websites**, following WordPress coding standards and best practices.
- Achieved Top-10 Google rankings through technical SEO, performance optimization, and content improvements.
- Migrated **hazmieh.com** from legacy architecture to a new WordPress setup using **WP All Import/Export**, preserving data integrity.
- Inserted and categorized 1,000+ users **using custom SQL queries**, assigning them to correct roles and taxonomies.
- Developed multiple internal plugins for automation, performance, and content management (recent examples listed above).

## WORK EXPERIENCE

### WordPress Developer, Social Media Manager - ELEVATE November 2023 - June 2024

- Designed and launched multiple WordPress websites end-to-end (domain, hosting, SSL, UI/UX).
- Created a lead-generation eBook system, automatically delivering content via email on signup.
- Optimized Google My Business profiles and improved local SEO visibility.
- Improved organic traffic using Google Search Console and on-page SEO strategies.
- Managed and optimized websites including:
  - **beyondshoots.com**
  - **abslawae.com**
  - **alketbilaw.com**
- Executed email marketing campaigns with Mailchimp and branded email signatures.
- Resolved advanced plugin conflicts and performance issues.
- Performed Windows 11 installations, HDD-to-SSD migrations, and Android rooting (Magisk, Odin).
